PRIMARY PRACTICES

Litigation

Complex Commercial Litigation

Jessica Brannan brings a decade of experience as a litigation paralegal to Hahn Loeser's Tampa office. She has worked closely with construction defect law and personal injury law. In her role at Hahn Loeser, she works primarily in business litigation and collections.

While working for the City of Kansas City, Jessica provided defense litigation support to government attorneys. She conducted research in preparation for mediations, depositions and trials. Jessica's previous paralegal work at law firms also included office manager responsibilities.

Jessica earned an Advanced Technical Certificate in Paralegal Studies from Hillsborough Community College in Tampa and a Bachelor of Science in Journalism from the University of Florida in Gainesville.
