#### PRIMARY PRACTICES

Business Law

Real Estate

Construction

Litigation

Eminent Domain

With a comprehensive background spanning commercial transactions, construction, and real estate and land use, Malek Khawam offers tailored guidance to help a client base that includes fortune 500 companies, small businesses and middle market. Malek's practical advice and attention to risk mitigation provides clients with confidence throughout their projects and the flexibility to achieve their business goals.

### Commercial Transactions

Malek's commercial transaction practice involves the development and negotiation of commercial contracts, working closely with internal counsel and business teams to mitigate risk and position businesses to achieve their commercial objectives. Malek drafts, reviews and negotiates distribution, manufacturing, development, and supply agreements, professional service contracts, licensing agreements, master services agreements, facility management agreements, brokerage contracts, consulting agreements, and loan documents.

### Real Estate and Land Use

Malek navigates real estate matters for both individuals and businesses providing comprehensive guidance for developers and commercial operators through each step, be it acquisitions, sales, leasing, or due diligence, title, land use and operational concerns. Making sure clients are well-protected and positioned for success, Malek's writing and negotiation experience includes agreements for: real estate purchase and sales, leasing, facility management, project management, operating, access and easements, and commercial real estate service providers and suppliers.

Malek also has experience with foreclosure law. He also guides clients through eminent domain issues with condemning authorities to ensure fair compensation.

### Construction

Malek supports construction project participants at all levels, representing owners, developers, architects, general contractors, subcontractors and equipment suppliers. In the realm of construction and project management, Malek assists clients with construction contracts and professional service agreements. When necessary, Malek leads clients through litigation and has specific experience in mechanic's lien law.

Serving as an attorney in Cleveland since 2020, Malek also has experience at the United States Attorney's Office, Northern District of Ohio as a legal extern. He has strong roots in Cleveland and is committed to cultivating engagement and ensuring Arab American representation in Northeast Ohio's civic and cultural institutions.
