Gretchen M. Nine-Bunnell conducts and manages due diligence processes regarding corporate and real estate transactions, including the organization, management and maintenance of online data rooms. She prepares various documents and agreements for business and real estate acquisitions, mergers, dissolutions and entity formations and attends and assists in transaction closings. Gretchen also assists with the formation and/or qualification of entities in multiple states, researches and analyzes federal and state business and real estate laws, prepares and maintains corporate record books, performs UCC and lien searches, and prepares and files UCCs in multiple states.

Gretchen also has significant experience performing online research on individuals and corporate entities; preparing and maintaining stock and LCC certificates, records and transfers; preparing and recording deeds and related conveyance and exemption documents in multiple states; reviewing leases, surveys and environmental reports; and performing preparation and filing of real estate tax exemption applications.
