4 Hahn Loeser & Parks LLP Offices Listed in 2014 *U.S. News & World Report - Best Lawyers*® "Best Law Firms"

November 15, 2013 – Cleveland, OH – Hahn Loeser & Parks LLP is pleased to announce that the firm has been recognized in the 2014 edition of *U.S. News & World Report – Best Lawyers*® "Best Law Firms". Hahn Loeser is ranked Tier 1 nationally in the defense of Mass Tort Litigation/Class Actions, and in Tier 1 in 18 other practice areas across its offices in Cleveland, Columbus, and Akron, Ohio, and Fort Myers, Florida.

The U.S. News & World Report – Best Lawyers® "Best Law Firms" rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms as part of the formal submission process. To be eligible for a ranking, a law firm must have at least one lawyer who is included in Best Lawyers as part of the annual peer review assessment.

Practice area rankings were produced both nationally and within 178 metropolitan areas across the United States. Because some practice areas have minimal presence in particular legal markets, or because there was not enough data garnered for proper evaluation, some practice areas that were covered in the research are not represented in the national rankings or various metropolitan rankings. The 2014 "Best Law Firms" national rankings cover 74 practice areas, while as many as 120 practice areas are covered on the metropolitan lists.

Lawyers also voted on expertise, responsiveness, integrity, cost-effectiveness, whether they would refer a matter to a firm, and whether they consider a firm a worthy competitor. This group was asked to vote on law firms that have a preeminent national presence within specified legal practice area(s) they know well. For the first time, a Law Firm Leaders survey was implemented to provide personal insight on the legal landscape surrounding the nationally ranked practice areas. In addition to information from these surveys, the rankings incorporate the 4.9 million evaluations of 50,834 individual leading lawyers collected by Best Lawyers® in its most recent annual survey.

The following practice areas in Hahn Loeser's Cleveland, Columbus, Akron and Fort Myers offices were included in the "2014 U.S. News Best Law Firms":
