4 Hahn Loeser & Parks LLP Offices Listed in 2013 *U.S. News & World Report* - *Best Lawyers*® "*Best Law Firms*"

May 23, 2013 – Cleveland, OH – Hahn Loeser is pleased to announce that its Cleveland, Columbus, Akron, Ohio and Fort Myers, Florida offices have been recognized in the 2013 U.S. News & World Report – Best Lawyers® “Best Law Firms.” Hahn Loeser increased its national rankings to 10 practice areas, up from two the previous year.

The U.S. News & World Report – Best Lawyers® “Best Law Firms” rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms as part of the formal submission process. To be eligible for a ranking, a law firm must have at least one lawyer who is included in *Best Lawyers* as part of the annual peer review assessment.

Practice area rankings were produced both nationally and within 170 metropolitan areas across the United States. Because some practice areas have minimal presence in particular legal markets, or because there was not enough data garnered for proper evaluation, some practice areas that are covered in our research are not represented in the national rankings or various metropolitan rankings. The 2013 “Best Law Firms” national rankings cover 80 practice areas, while as many as 118 practice areas are covered on the metropolitan lists.

Lawyers also voted on expertise, responsiveness, integrity, cost-effectiveness, whether they would refer a matter to a firm, and whether they consider a firm a worthy competitor. We asked this group to vote on law firms that have a preeminent national presence within specified legal practice area(s) they know well. In addition to information from these surveys, the rankings incorporate the 4.3 million evaluations of 68,761 individual leading lawyers collected by Best Lawyers® in its most recent annual survey.
