Hahn Loeser Ranked Nationally in 2015 *U.S. News & World Report – Best Lawyers®* “Best Law Firms”

January 8, 2015 – Cleveland, OH – Hahn Loeser & Parks LLP is pleased to announce that the firm has been ranked nationally in the most recent edition of *U.S. News & World Report – Best Lawyers®* “Best Law Firms.” Hahn Loeser is once again recognized for its nationwide practices in the defense of mass tort litigation and class actions, in corporate law, and in eight other practice areas. The firm is also ranked Tier 1 in 22 other practice areas across its offices in Cleveland, Columbus, and Akron, Ohio, and in Fort Myers, Florida.

The *U.S. News & World Report – Best Lawyers®* “Best Law Firms” rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer reviews from leading attorneys in the field, and the review of additional information provided by law firms as part of the formal submission process. To be eligible for ranking, a firm must have at least one lawyer who is included in Best Lawyers® as part of the annual peer review assessment.

Lawyers also voted on expertise, responsiveness, integrity, cost-effectiveness, whether they would refer a matter to a firm, and whether they consider a firm a worthy competitor. This group was asked to vote on law firms that have a preeminent national presence within specified legal practice area(s) they know well. For the first time, a Law Firm Leaders survey was implemented to provide personal insight on the legal landscape surrounding the nationally-ranked practice areas. In addition to information from these surveys, the rankings incorporate the 4.9 million evaluations of 50,834 individual leading lawyers collected by Best Lawyers® in its most recent annual survey.
