FOR IMMEDIATE RELEASE

Hahn Loeser's Construction Law Practice Secures National Tier 1 Ranking in 2022 "Best Law Firms" Report by *U.S. News and Best Lawyers*[®]

November 4, 2021 – Hahn Loeser & Parks LLP's Construction Law Practice Group has been ranked as a **National Tier 1 practice for Litigation – Construction** in the 2022 "Best Law Firms" report, which was released today by *U.S. News & World Report and Best Lawyers*[®].

"This national recognition is a testament of the hard work of every member of our growing construction team," said [Rob Remington](#), Hahn Loeser's Construction Law Practice Group Chair. "We are proud to receive this high praise for our standout work and our deep commitment to providing the highest level of client service to our clients across the construction industry. I am fortunate to work with this incredibly talented team of attorneys and construction professionals."

In addition to this national ranking, Hahn Loeser is listed in Tier 1 in four construction-related categories in the report's metropolitan rankings in the 2022 "Best Law Firms" report, including recognition in both **Construction Law** and **Litigation - Construction** for both the Cleveland and Columbus, Ohio markets.

The 2022 "Best Law Firms" rankings are based on a rigorous evaluation process, which includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms as part of the formal submission process. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas based on its abilities, its professionalism, and its integrity.

In addition to this recent honor, Hahn Loeser's Construction Law Practice Group was recognized earlier this year in the **Top 50 Construction Law Firms** by *Construction Executive* magazine for 2021 as the only Ohio-based firm to be included in the top 30 spots for the second straight year. Hahn Loeser is also recognized as having one of the leading Construction Law Practices in Ohio by *Chambers USA* in its 2021 edition.
