Hahn Loeser Recognized Among “Best Law Firms” Nationally by *U.S. News and Best Lawyers*[®] in 12 Practice Areas in 2023 Edition Firm Also Named Among “Best Law Firms” in 48 Metropolitan Practice Rankings

November 3, 2022 – Hahn Loeser & Parks LLP was named among the “Best Law Firms” nationally by [*U.S. News & World Report*](#) and [*Best Lawyers*](#)[®] in 2023 in 12 practice areas. The [13th edition of “Best Law Firms”](#) also included recognition for Hahn Loeser in 48 metropolitan rankings across five markets, including 25 Tier 1 rankings.

“Hahn Loeser raised its outstanding performance with our showing in the 2023 Best Law Firms list, with high numbers in both the national and metropolitan practices, earning numerous increases in the Tiers in which we are recognized,” said Hahn Loeser CEO and Managing Partner [Stanley R. Gorom III](#). “This achievement is tied directly to feedback from our clients across our markets and in a multitude of practice areas. The resulting rankings speak to the commitment of so many individuals at the firm to provide creative, responsive solutions to our clients’ challenges.”

The 2023 “Best Law Firms” rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms as part of the formal submission process. Receiving a tier designation reflects the high level of respect a firm has earned among clients and other leading lawyers in the same communities and the same practice areas based on abilities, professionalism, and integrity.

To become eligible for a “Best Law Firms” ranking, at least one lawyer at the firm must be recognized in the latest edition of The Best Lawyers in America[®], an exclusive award presented to only the top 5% of lawyers in the United States. The Best Lawyers research team analyzed almost 124,000 client responses, 12.2 million evaluations of more than 115,000 lawyers from more than 22,000 firms and conducted hundreds of interviews with law firm leaders.

“U.S. News is committed to providing consumers with the data and information they need to make some of life's biggest decisions,” said Morgan Felchner, executive editor at U.S. News. “This commitment extends to the ‘Best Law Firms’ rankings, evaluating law firms in their efforts to bring important services to companies and individuals alike.”
