It's an honor to be recognized for our commitment to delivering high quality work and outstanding experiences for our clients. Our litigation team is dedicated to meeting our clients' needs with exceptional results at every turn."

Chambers is one of the definitive sources for law firm and attorney rankings due to their extensive market research and in-depth interviews with legal influencers and client representatives. According to a survey of in-house counsel, 51 percent rely on *Chambers'* rankings for guidance on hiring firms and attorneys. The 2023 rankings can be accessed at www.chambersandpartners.com. *Chambers* ranks a firm's practice areas based on the qualities of the attorneys and on the effectiveness and capability of the practice. As part of *Chambers'* research, significant outreach is also conducted to each firm's clients to generate qualitative findings. According to *Chambers*, "Hahn Loeser is a National firm with strong credentials in defending consumer class actions, including significant trial experience, offers wider skills in real estate litigation, insurance claims and state regulatory matters."

"We are delighted that the tremendous talent and accomplishments of the litigation team at Hahn Loeser San Diego has been consistently acknowledged for our performance," stated San Diego Partner-in-Charge [Michael J. Gleason](#). "We are grateful for our clients' trust in us and our collaboration to achieve the best litigation outcomes. We thank them for this acknowledgement and look forward to continuing our work together."

The 2023 announcement marked the 21st consecutive year that Hahn Loeser garnered recognition in the publication. The Firm was also recognized in three other practice areas: Bankruptcy/Restructuring (Ohio), Construction (Ohio), General Commercial Litigation (Ohio). Only two percent of lawyers in the United States receive Chambers rankings, while just 0.5% of firms in the U.S. are Chambers ranked.
