## FOR IMMEDIATE RELEASE

### **Hahn Loeser Recognized Nationally in 13 Practice Areas Among “Best Law Firms” by *U.S. News and Best Lawyers*® in 2024 Edition Firm Also Named Among “Best Law Firms” in 47 Metropolitan Practice Rankings**

November 2, 2023 – Hahn Loeser & Parks LLP is named among the “Best Law Firms” nationally by *Best Lawyers*® in 2024 in 13 practice areas, the Firm’s highest total ever received in a single year. The [14<sup>th</sup> edition of “Best Law Firms”](#) also included Hahn Loeser’s recognition in 47 metropolitan areas across five markets, including 23 Tier 1 rankings.

“We are proud to have earned high rankings in both national and metropolitan practices,” said Hahn Loeser CEO and Managing Partner [Stanley R. Gorom III](#). “Hahn Loeser has once again raised the bar in 2024 with 13 nationally-ranked practice areas. This achievement is a direct result of feedback from our clients across our markets and in a myriad of practice areas, showcasing the dedication of our attorney teams to providing exceptional client service. These rankings reflect commitment among many individuals at the Firm who are providing creative, responsive solutions to our clients’ challenges.”

The 2024 “Best Law Firms” rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field, and review of additional information provided by law firms as part of the formal submission process. Receiving a tier designation reflects the high level of respect a firm has earned among clients and other leading lawyers in the same communities and the same practice areas based on abilities, professionalism, and integrity.

To become eligible for a “Best Law Firms” ranking, at least one lawyer at the firm must be recognized in the latest edition of *The Best Lawyers in America*®, an exclusive award presented to only the top 5% of lawyers in the United States. The Best Lawyers research team incorporates 13.7 million evaluations of more than 125,000 leading lawyers from more than 23,000 firms and conducts hundreds of interviews with law firm leaders.

“These rankings – our first independently published rankings and 14th edition – serve as a true North Star for the industry,” said Best Lawyers CEO [Phillip Greer](#). “We know that the legal profession—like so many industries today—is undergoing a transformation led by proliferating technology, global demands and evolving social norms. Through these rankings, we can not only identify the gamechangers for law firms today, but also focus on key issues such as integrating AI and addressing DE&I that are positioning them and the profession for future success.”
